Dear Dr. I.M. Pritula,

On behalf of the Organizing Committee, it gives our great pleasure to invite you to join us and give a **speech** at **Session 3-3: Laser Technology and Application of 3rd International Congress on Advanced Materials Sciences and Engineering (AMSE-2022)**, which will be held during July 21-25, 2022 in Hotel Ambassador, Opatija, Croatia. AMSE-2022 is jointly hosted by Croatian Society for Information, Communication and Electronic Technology – MIPRO, The University of Rijeka, Croatia and ISTCI, Hong Kong, China, and the technically sponsored by IEEE.

AMSE-2022 will be programmed with a new hybrid model of online and offline conference. Speakers could choose to speak onsite or online if you cannot attend in person. All the professionals in these fields are encouraged to contribute speech abstracts, posters, or papers with your latest research achievements.

AMSE-2022 will have two publications this time. The first one is abstract handbook (Each speaker will be given a one-page speech abstract). The second one is a conference proceeding. Full length Papers that are accepted after peer review will be published in this conference proceedings which will be submitted to IEEE Xplore as well as other indexing databases. As a speaker, you can choose to submit an abstract or both. No extra fee for the paper within 6 A4 pages.

Finally, look forward to your valued participation and knowledge sharing in this congress.

Reply the mail for more information of the conference.

Sincerely yours,

Ms. Eve Yuan

Program coordinator of AMSE-2022
